Hours

Shop hours are Monday through Friday.
8am to 5pm.

Rental Period

The minimum rental period is one day.
The week rate is for up to seven days of use.
Price reductions are available for large or long term rentals and should be discussed with the Rental Manager at the time of the rental.

Discounts must be confirmed in writing at the beginning of the rental period.

Terms

All rentals must be paid in full at the time the equipment is released, unless a customer credit account has been established and is good standing. Applications for credit accounts will only be considered for customers utilizing the account on a monthly basis. Rentals may be paid with cash, imprinted checks, MasterCard, Visa, Discover, or American Express. Only imprinted checks will be accepted on approval with a valid California Drivers license or other acceptable picture identification.

Rental Deposit

A deposit is required on all rentals to non-account customers. Deposits may be paid in cash or major credit card. Checks will not be accepted. A deposit up to the value of all equipment rented may be required. A valid California Drivers license or other acceptable ID is required to be shown at the time of pick up of the rental equipment.

Taxes

SDSL rentals are not subject to California sales taxes.

Certificate of Insurance

The renter is responsible for and will provide insurance to cover the retail sales value of equipment rented and for all loss or damage.

SDSL reserves the right to request a certificate of insurance for any order.

San Diego Stage & Lighting reserves the right to modify or change pricing at any time.

Returns

All equipment is due back to 11am on the specified return date. Equipment not returned by 11am will be charged for that day at the day rate.

Liability

SDSL is in no way responsible for liability, claims, costs or expenses rising out of the use or possession of said equipment. Equipment is offered for inspection and test at the time of rental. SDSL assumes the customer acknowledges that only qualified stagehands and other professionals will be operating rental equipment.

Missing or Damaged Equipment

The customer is responsible for equipment picked up at, or delivered by SDSL. Equipment is released to the customer with a signed receipt. The customer is responsible for returning the equipment to SDSL.

Rental charges continue on equipment until it is returned or until an invoice for the replacement is issued. Rental charges will not be deducted from the replacement cost.

Delivery and Pick Up

SDSL can supply delivery and pickup services for a fee. Pickup and delivery service includes transportation only. The customer must provide labor to unload, load, install and/or remove equipment. SDSL can provide these services at an additional charge. Please ask for a quotation in advance.

Shipping

Air and ground transportation will be provided at the customer's expense. All rental equipment returned to SDSL must be shipped prepaid. The rental does not end until equipment is received at our warehouse.

Reservations

Rental reservations are suggested as all equipment is rented on a first come first served basis.

A rush charge of up to 50% may be assessed for day of event rental requests.

Extensions

Rentals are for a specified period of time. Extensions must be approved and paid for in advance and are subject to availability.

Frequently Asked Questions

What size stage do I need?

Typically for a 5 piece band, a minimum size stage will be 16' x 12', larger if you have active dancers.

Here are some typical layouts:

12' x 8'

16' x 12'

24' x 12'

24' x 32'

All of our staging can be customized to any size that you need.

Here are some staging questions to have in mind:

What are the dimensions of the room (if indoors)?

Is the ground level (if outdoors)?

What is happening on the stage i.e. a standing speaker; a hip hop band; a graduation ceremony; a high school play, etc.

What is my budget?

How much and what kind of lighting do I need?

Different spaces and different events require different lighting. Weddings typically include some uplighting, a gobo and maybe some accent lighting.

Concerts can have full moving light rigs.

Meetings can go from small uplighting packages to full concert style lighting.

Please keep these questions in mind when inquiring about lighting:

What size of an area am I trying to cover?

What kind of lighting am I looking for? i.e. Accent lighting; General Area Lighting; Stage lighting; Special effects

How much power do I have available to me? Do I need LED lighting?

Do I need to dim and or control the lighting?

Do I want to be able to change colors?

What size truck do I need to pick up my order?

Well that all depends on how much equipment you are picking up and or returning.

A smaller follow spot will fit in just about any car (maybe not a SmartCar)

A couple of 4' x 8' stage pieces can fit into a pickup truck, more in a full size or larger pickup truck.

Our lighting kits can typically fit into a minivan (if we break down the pipes into smaller pieces)

Large stage orders will require a rental U-Haul or similar.

If you have concerns, we always can offer our delivery and or pick up services for an additional charge.

Do you sell any of your gear used?

Sometimes! Please let us know what you are looking for. If we don't have it used we almost always can get you a new price.

I'm confused with these lighting terms... help!

Not to worry! Here is a handy glossary ☺

Console or Controller: Provides a control signal to an AC dimmer or fixture which enables the user to set the levels for lighting cues.

Dimmer: A device for alternating the AC output that allows lights to be made dimmer or brighter

DMX: is a standard for digital communication networks that are commonly used to control stage lighting and effects. It was originally intended as a standardized method for controlling light dimmers, which, prior to DMX512, had employed various incompatible proprietary protocols.

Edison Cable: Cable used to supply power to lights. It has connectors at either end which are like your standard household receptacles. Also known as an extension cord.

Ellipsoidal: Also called a Leko; a lighting instrument which projects a beam of light at a specific length and angle. It has a focusable hard edge beam and may be shaped using shutters. It has a slot for a Gobo or pattern which projects an image.

Fresnel (/frɛɪ'nɛl/ fray-NEL or frɛznəl/ FREZ-nəl) : A lighting instrument with a lens recognized by its concentric rings. The Fresnel light produces a soft edge beam of light and can be focused from spot to wash.

Gobo: A pattern cut or etched out of thin metal used to project shapes, custom designs or logos. A gobo is placed into a pattern holder and fitted into an ellipsoidal or moving light fixture. Gobos come in many different sizes for different lighting fixtures.

Lamp: The correct term for a light bulb.

LED: Light Emitting Diode. LED instruments can and have been used to replace any conventional lighting fixtures. LED instruments can contain a number of different colored LEDs, often Red, Green and Blue (sometimes to include White, Amber and UV), and different light output colors can be achieved by adjusting the intensity of each LED color group. LED instruments should have a long service life relative to other options, without the expense of color gel or replacement lamps.

Leko: See Ellipsoidal

PAR: Parabolic Aluminized Reflector. A lighting fixture which emits a diffused oval beam of light.

Riser, Deck or Platform: A stage piece that can be several different dimensions and heights. Typical dimensions include 4' x 8', 4' x 4', 2' x 8' and 2' x 4'. Typical heights include 1', 2', and 3'. These platforms can be joined together to make just about any size stage that you may require. Custom heights up to 20' tall can be provided.

Uplight: A light that is placed on the ground to illuminate a wall. Typically a Par or LED light.

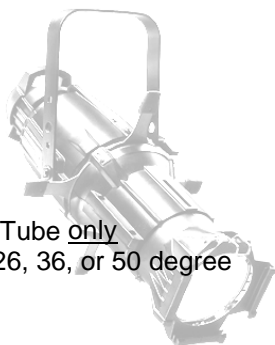

Ellipsoidal Spots

Week

All Ellipsoidals come with SPG connectors and include color frame, c-clamp and safety cable.

Stage Lighting Kits

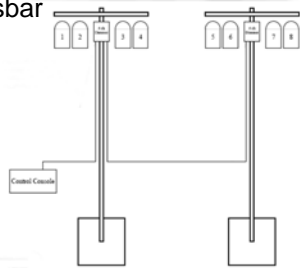

Week

Basic Stage Lighting Kit

\$250.00

This kit comes with a total of 8 incandescent instruments. Please choose a combination of lekos, fresnels or Par's, all lamped at 575 watts or less.

- 2- 12' Pipe w/ base and crossbar
- 8- Instruments 575 watt max
- 2- LD340 Dimmers
- 1- NSI 7008 Controller
- 2- 50' Edison PBG Cable
- 1- 100' DMX Cable
- 1- 50' DMX Cable
- 4- 35# Sandbags

ETC LED Stage Wash Lighting Kit **NEW!**

\$450.00

- 2- 12' Pipe w/ base and crossbar
- 8- ETC Desire D40 Vivid LED Pars
- 8- Choice of 25, 45 or 75 degree lens
- 6- 10' Power-con jumpers
- 2- 100' Edison PBG Cable
- 2- Edison to Power-con Adapters
- 1- ETC SmartFade 12/48 Console
- 6- 10' DMX
- 1- 50' DMX
- 1- 100' DMX

Blizzard LED Stage Lighting Kit **NEW!**

\$300.00

- 2- Ultimate Support Stands
- 8- Blizzard LB Hex Pars
- 6- 10' Power-con jumpers
- 2- 100' Edison PBG Cable
- 2- Edison to Power-con Adapters
- 1- ETC SmartFade 12/48 Console
- 6- 5' XLR
- 1- 50' XLR
- 1- 100' XLR

Large Stage Lighting Kit

\$350.00

This kit comes with a total of 16 instruments. Please choose a combination of lekos, fresnels or Par's, all lamped at 575 watts or less.

- 2- 12' Pipe w/base and 2-crossbars
- 16- Instruments 500 watts
- 16- Edison Adapters
- 4- NSI 4600 Dimmers
- 1- NSI 7016 Controller
- 4- 50' Edison PBG Cable
- 2- 5' 3XLR Cable
- 1- 100' 3XLR Cable
- 1- 50' 3XLR Cable
- 8- 35# Sandbags

Stage Lighting Kits (Continued)

Week

Professional Stage Lighting Kit

\$875.00

This kit comes complete with 40' of truss, 24 – Par 64's on lamp bars, 12 channels of dimming and control. Please choose from the option of ground support or chain motors.

- 40- 12" Box Truss
- 4- Par Bars w/ 6- Source4 Par 575w
- 1- CD80 12 x 2.4 kw
- 1- Leprecon 12 Channel DMX Controller
- 1- 100' DMX Control Cable
- 2- 125' Socopex
- 2- 100' Socopex
- 4- Breakins
- 5- 25' #2w Camlok
- 5- #2w Camlok Pigtails
- 16- Truss Protectors
- Color Assortment
- Option, Choose one of the following:
- 2- ST24 Genie Towers – only available with SDSL Tech
- 2- 1 Ton Chain hoist w' Rigging Package

Packages can be customized to fill a customers needs at a nominal fee.

San Diego Stage & Lighting Supply, Inc. (hereafter referred to as SDSL)
RENTAL/SALES CONTRACT TERMS AND CONDITIONS:
REVISED JANUARY 2008

1. SDSL uses great care to have all equipment in good order and repair, gives no warranty expressed or implied, as to condition or quality of any other matter of any equipment rented, and will in no way be responsible for damages resulting while in user's possession. All returns are subject to inspection.

2. RENTAL RATES AND PERIODS. Rental rates are established for single day, single week and for multiple week periods. All charges are based on the time in the LESSEE's possession whether in use or not.

3. All rentals are due back by close of business on day that contract expires.

4. In the event the renter fails to return said item(s) at agreed time, or fails to abide by any other terms of this contract, the rental agent (SDSL) may repossess it without notice to renter, and the rental agent (SDSL) is hereby released from all claims arising there from.

5. Any item(s) not returned by the agreed time shall have additional charges accrue until the missing items are returned. These charges shall be determined by the rental agents published rates. Any item not returned within seven (7) days after agreed due date shall be charged to the renter at the retail replacement cost. NO credit will be allowed for the rental cost.

6. The security deposit, if required will be refunded upon return of all rental items herein described, if all obligations and regulations of this agreement have been satisfied and adhered to by the renter. All DEPOSITS are non-refundable 48 hours before scheduled event of said contract or agreement commences.

7. Any spare lamps or equipment must be returned with rental package. If spares are used, the burned out lamps must be returned with hereby rental or full retail replacement cost will be charged. This applies to any item marked spare on rental contract.

8. The renter agrees to insure said property against all risks of loss or damage in a sum of not less than the total aggregate equipment value or the actual current retail value of such equipment, with an insurance carrier acceptable to SDSL and, at the option of SDSL, to supply a certificate for same. Renter hereby assumes the entire risk of loss, damage or destruction of equipment from any and every cause whatsoever commencing with delivery of said equipment to renter, and renter shall (except to the extent proceeds of insurance provided by renter cover such loss) at SDSL'S option (a) repair fully such item, (b) pay SDSL all unpaid rental and/or current equipment replace value in cash (c) replace such item with a like item acceptable to SDSL, or such combination of above.

9. RENTER/PURCHASER agrees to operate said equipment only in the manner for which it was intended. RENTER agrees not to attempt to make any repairs or alternations of any nature, kind or description and in the event that rental equipment becomes inoperative, SDSL is to be notified at once. 619-299-2300.

10. You understand there are risks in and around staging and lighting equipment. By signing this agreement you (and the Equipment users) agree not to sue SDSL for any reason. YOU AGREE TO ASSUME ANY AND ALL RISKS (both primary assumption and secondary assumption of the risk) INVOLVED WITH OR ARISING FROM YOUR USE OF THE RENTAL EQUIPMENT DESCRIBED ABOVE (hereinafter, including, but not limited to: the risks of death, bodily injury, property damage, falls, collisions with stationary objects, the unavailability of emergency medical care, and/or the negligence and/or deliberate act(s) of any other person, firm, or company (actual damages, consequential lost profits, electric shock, trip and fall, misuse of product.

AS A CONSIDERATION FOR BEING PERMITTED BY SDSL TO RENT ITS EQUIPEMT, YOU HEREBY AGREE THAT YOU, YOUR ASSIGNESS, HEIRS, SUCCESSORS, DISTRIBUTEEES, GUARDIANS, AND LEGAL REPRESENTATIVES WILL NOT MAKE A CLAIM AGAINST OR SUE SDSL OR ATTACH THE PROPERTY OF SDSL FOR ANY INJURY OR DAMAGE RESULTING FROM THE NEGLIGENCE OR OTHER ACTS, HOWSOEVER CAUSED BY THE EMPLOYEES, AGENTS, CONTRACTORS, OR OTHER REPRESENTATIVES OF SDSL, OR RESULTING FROM ANY DEFECT IN THE EQUIPMENT RENTED BY YOU UNDER THIS AGREEMENT. YOU HEREBY RELEASE SDSL AND ANY OF ITS EMPLOYEES, AGENTS, CONTRACTORS, OR OTHER REPRESENTATIVES FROM ALL ACTIONS, CLAIMS, OR DEMANDS THAT YOU OR ANY OF YOUR ASSIGNEES, HEIRS, SUCCESSORS, DISTIBUTEES, GUARDIANDS OR LEGAL REPRESENTATIVE NOW HAVE OR MAY HEREAFTER HAVE FOR INJURY OR DAMAGE RESULTING FROM YOUR RENTAL OF STAGE AND LIGHTING EQUIPMENT, WHICH INCLUDES BUT IS NOT LIMITED TO: STAGES, TRUSSES, RIGGING, CHAIN MOTORS, DRAPERY & HARDWARE, ELECTRICAL DISTRIBUTION, LIGHTING, LADDERS, LIFTS.

11. You agree to indemnify and defend SDSL against, and hold harmless from, any and all claims, causes of action, damages, judgments, costs or expenses, including attorney's fees, which in anyway arise from or connected with your use of the rental property described above, whether such damage results from any negligent act or omission or is related to strict liability.

12. NO RETURNS without prior authorization. NO RETURNS of lamps, paint, gel, patterns, tape, books, fabric, videos or custom orders. ANY authorized return will be charged a 20% restocking fee or our costs incurred, whichever is greater.

14. ALL CABLE must be returned with at least one tie holding coil together. Failure to do so will incur additional charges.

15. ALL Drapery must be folded and put into respective bag. Failure to do so will incur additional charges. DO NOT use tape or staples on drapery. Drapery must be clean and dry. Additional charges for cleaning and fire retardant will be charged.
